OKLAHOMA YOUTH JAZZ ENSEMBLE

FLOYD HAYNES & ROGER SHARP - CO-DIRECTORS
FLOYD HAYNES - MANAGER

AN EDUCATIONAL OUTREACH PROGRAM OF THE

The Oklahoma Youth Jazz Ensemble is an exciting program that seeks to broaden artistic opportunities for aspiring high school jazz musicians through high-level rehearsals, masterclass sessions, and live performances under the direction of experienced jazz musicians and educators. The OYJE seeks to support, enrich, and broaden existing high school band programs for all participants. Membership will be open by competitive audition to any student currently in grades 9-12. Students must be part of their school's band or jazz band program in order to participate in OYJE. If selected student will pay a \$90 participation fee for the season.

Regular weekly rehearsals will take place on Tuesday evenings starting on November 28, 2017 in the Garvey Center on the campus of Oklahoma Christian University from 6:00-8:00 pm.

Required placement auditions will take place on Saturday, November 18 from 9 am to 1 pm at Midwest City High School .

Further details about the Oklahoma Youth Jazz Ensemble can be found at: www.okcjazzorchestra.com.

Brief Summary of Musical Experiences:

Please type all requested info on this fillable PDF before printing, and then bring to the audition on November 18

In consideration for my student's participation and continued membership in the Oklahoma Youth Jazz Ensemble, I hereby give the Oklahoma Youth Jazz Ensemble the nonexclusive, absolute, and irrevocable right and permission to record, distribute, photograph, film, videotape, and/or portray any musical performance for which my student appears, performs, or otherwise is a participant in connection with my student's membership in the Oklahoma Youth Jazz Ensemble. I understand that such interests may include but are not limited to, promotional, solicitation, and fundraising purposes. I understand the organization may use photographs (without names) of musicians in publicity and fundraising materials, videotaped performance for possible public distribution, recorded performance segments for possible internet use, and recordings of performance on CDs or DVDs for public distribution
